Secretary's Report (Jonathan L. Messerschmidt) - Due to all the snow in the Philadelphia area updating the records in LodgeMaster with the dues information was delayed by 2 weeks. This past Saturday a small army descended on "Membership central" and updated the dues information in close to 1200 records in LodgeMaster. We still have a few record we need to update because of bad information but, we are slightly ahead of where we were at this time last year. I am very happy to report that all chapters except for Triune already have over a 50% renewal rate from last year. The Baden Powell Chapter is leading the charge at a renewal rate of 67% followed closely by Continental at 64%. Congratulations to those chapters. Membership cards should be printed and mailed very soon.
